Deadlines for applicants	April 14th (1 st semester and full academic year), October 1st (2 nd semester)
Courses available for exchange students	http://www.biw.kuleuven.be/english/FutureStudents/possibilities.aspx #courses
Enrollment Criteria for exchange students	+/- 30 ECTS each semester Submission of 'changes to the learning agreement' only possible until the 2 nd week of the starting of the semester.
Language Requirements	Only courses taught in English are available for exchange students. Students are supposed to have sufficient knowledge of the English language to follow courses and take exams. Students from the Netherlands and Germany will be allowed to take courses taught in Dutch as well.
Language courses for exchange students	English language courses are offered at the CLT: http://www.clt.be/CLTSite/index.php A Dutch language course is offered at the ILT: http://ilt.kuleuven.be/ The number of credits obtained for a language course depend on the level and duration of the course followed.
Accommodation	Only a limited number of rooms is available for exchange students in university residencies. Most students will have to find their own private accommodation, helped by the Housing Service of the university. http://www.kuleuven.be/studentenvoorzieningen/accommodation/stu dent/exchange.html
