Dedicated to exchange students :

Reading programme (each semester) - Students will have to facilitate 2 workshops on a theme in English. *The themes are based on current affairs and can include some of the following subjects: Education, Health, The Economy, Political systems, The role of Government, Recruitment, New trends in the work place, Working conditions, The European Union, Globalisation and International business...*

2 ECTS

The aim is to provide input on these subjects, select texts to compose a press file of related articles, explain cultural references and vocabulary and ensure discussion and debate with small groups of 5 or 6 French students.

The articles should be handed into the tutor for validation and review. A short report, in French, evaluating the workshop should also be handed into the module tutors.

Powerpoint Presentation: *The presentation is in French (or mostly in French) and the aim is to present the students' home country and university to French students considering an Erasmus exchange*

2 ECTS

Courses of French (2 hours a week, 20 €/semester) – every semester

3 ECTS
