INTRODUCTION	Version: 2013-11-07						
Institution Name	ISCTE-IUL (ISCTE - University Institute of Lisbon)						
ERASMUS Code	P LISBOA 07						
About the Institution	<p>ISCTE- University Institute of Lisbon (ISCTE-IUL) is a national university, founded in Lisbon, Portugal, in 1972. The University is legally a Public Foundation meaning that ISCTE-IUL has a greater level of freedom and flexibility in its administration when compared to other public universities. It is divided into four schools covering its main areas of expertise: The Business School; School of Social and Human Sciences; School of Sociology and Public Policy; and School of Technology and Architecture. Current number of students is around 9500.</p> <p>ISCTE Business School is the largest school of ISCTE-IUL with over 4200 students and offers a full portfolio of academic degrees (Bachelor's, Master's and Doctorate) in subjects related to business and management. Courses are taught by a large full-time Faculty as well as a growing invited and visiting Faculty.</p>						
Student Exchange	<p>ISCTE Business School now offers over 60 Bachelor's modules as well as 7 Masters programmes taught entirely in English.</p> <p>ISCTE Business School has partnership agreements with approximately 180 universities around the world as well as specific double-degree agreements at bachelor and master levels.</p> <p>Each year ISCTE Business School sends around 200 students abroad and receives over international 350 exchange students.</p>						
Term Calendar	<p>The Academic year in ISCTE-IUL is divided into two semesters:</p> <table border="1" style="margin-left: auto; margin-right: auto; border-collapse: collapse;"> <thead> <tr> <th colspan="2" style="text-align: center;">Academic Year</th> </tr> <tr> <th style="text-align: center;">1st Semester</th> <th style="text-align: center;">2nd Semester</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">Mid-September – late January</td> <td style="text-align: center;">Late January – late June</td> </tr> </tbody> </table>	Academic Year		1 st Semester	2 nd Semester	Mid-September – late January	Late January – late June

ACADEMIC PROGRAMME							
Programmes	<p>In total, ISCTE Business School offers Bachelor degrees, Masters programmes and PhD and DBA programmes. In addition there are many executive education programmes offered by INDEG/IUL ISCTE Executive Education and a well-established Summer School programme.</p> <p>At the Bachelor's level, around 50 modules are taught entirely in English. These courses are updated annually and are subject to availability. For an up to date list please consult: http://iepm.ibs.iscte.pt/index.php?pt=Courses_in_English</p> <p>In addition to these, ISCTE Business School offers 7 Masters Programmes taught entirely in English (all are open for exchange students except the last two):</p> <ul style="list-style-type: none"> ➤ MSc in Business Administration ➤ MSc in Finance ➤ MSc in Economics ➤ MSc in Marketing ➤ MSc in Human Resource Management ➤ MSc in Hospitality and Tourism Management ➤ MSc in International Management <p>As well as in Portugal, ISCTE Business School runs programmes in Brazil, Cape Verde, Mozambique and China.</p>						
Structure & Courses	ISCTE Business School courses are structured around the European Standard Credit System (ECTS). Each module usually corresponds to a value of 6 ECTS.						

	Bachelor's degrees will typically be made up of 180 ECTS credits whilst Masters courses will be between 90 and 120 ECTS credits.
Language of Instruction	<p>English & Portuguese: Around 50 courses at the Bachelors level, 7 programmes at the Masters level and 3 PhD are taught entirely in English.</p> <p>ISCTE Business School also offers Portuguese language courses at different levels as well as a course of Portuguese History and Culture.</p> <p>Students with a sufficient level in the Portuguese language may also choose from many modules taught in Portuguese.</p>
Grading System	The Portuguese grading system runs from 0 (lowest) to 20 (highest), with a passing grade of 10. The official Transcripts of Records are additionally issued according to the ECTS grading system.
Exams & Evaluation	<p>Most courses are evaluated through 'continuous evaluation', which uses a combination of class attendance and participation, individual and group coursework and final tests. At the bachelor level, students need to achieve the minimum passing grade in all evaluation elements; otherwise they must take the resitting exam that counts for 100% of the final grade.</p> <p>All courses offer resits to students who have failed or who wish to improve their grades. These count for 100% of the final grade.</p> <p>Please check with your course coordinator regarding the specific evaluation methods before you start each course.</p>
