

The programme “*Vivir en Murcia*” has been created and promoted by Murcia’s International Relations Service (*SRI*) in order to help:

1. Students coming to Murcia as part of a mobility programme managed by the *SRI* of the University of Murcia.
2. Those enrolled in the University’s Spanish for Foreigners Courses.

We offer accommodation in flats, residences, apartments and host families.

If you are a student coming with a mobility programme and you have already received your NIU (*you receive your NIU once you have applied on-line after your university nominates you, then, we validate your application and you receive it by email*), please follow these **steps to apply for accommodation**:

- 1- Go to "accommodation offer" and select your options.
- 2- Click on "Application form" and select NON UMU STUDENTS (if coming with mobility programme)
- 3- Enter your NIU and name of the programme you're coming with. Fill in the form.
- 4- Wait for Vimur to contact you.
