

*Dear Colleague,*

The academic year of 2011/2012 is yet again an all time high, regarding incoming exchange students at Linnaeus University – more than 1200 students. We want to express our sincere appreciation for your efforts to promote Lnu! Also we want to extend our gratitude for taking wonderful care of our outgoing students who has returned to us with experiences that often shapes the rest of their lives.

Linnaeus University has been up and running for a little more than two years now and we very much appreciate your partnership on this journey.

In this package we would like to introduce:

*Study at Linnaeus University, Sweden*

All exchange students may choose to study at either Kalmar or Växjö, please note that it is not possible to combine courses from both campuses in one semester. This brochure can also be downloaded at: <http://lnu.se/future-students/exchange-students/applying-exchange-students?l=en>

Please look at our homepage to find the latest updates of all programme and course description.

*Application form 2012/2013*

We are using an online application form that your students are to use. Enclosed in this mailing you will find instructions on how to use this application.

Application deadlines:	<b>April 15</b> for the autumn semester <b>October 15</b> for the spring semester
Nomination deadlines:	<b>April 1</b> for the autumn semester <b>October 1</b> for the spring semester

Application forms received after the deadline cannot be guaranteed to be processed, and the students have to find accommodation on their own. We are under more pressure than ever regarding housing for students so please respect the deadlines.

*Guide for International Students*

This guide contains practical information for students that will be essential before arrival and throughout their stay in Kalmar or Växjö. All students will receive their own printed copy of the guide in their Welcome Package, which is sent out together with the Letter of Acceptance once they have been formally accepted to Linnaeus University. You can find the brochure at <http://lnu.se/future-students/exchange-students/accepted-exchange-students?l=en>

*Help us update our information!*

Please send any updated information for exchange students to us. Those of you that only have online information can disregard this request.

We are very much looking forward to working together with you this upcoming year.

Sincerely,

International Relations Office
