

# Accommodation suggestions not only for incoming students (2019)

Dear students,

CULS dormitories have limited capacity and every year in average we are able to accommodate 50 – 60% of incoming students on campus. For that reason CULS Prague arranged alternative accommodation for its students at **TVM Tower**. TVM Tower is a student hostel located in the city district called Modřany and it takes about one hour by public transit to reach CULS campus from there.

Monthly rent at TVM Tower is 6 000 CZK and security deposit is 15 000 CZK. You may terminate your contract at TVM Tower with two months notice (meaning you must announce end of your stay 2 months prior to your departure) otherwise they may keep the whole deposit.

If you would like to be accommodated at TVM Tower, get in touch with Pavel Kochmann from CULS dormitory management and he will arrange the booking for you ([kochmann@kam.czu.cz](mailto:kochmann@kam.czu.cz), tel.: +420 224 383 358).
